

Remarks:

The present application is a continuation of U.S. Patent Application Serial No. 10/337,165, filed January 6, 2003, which is a divisional application of U.S. Patent Application Serial No. 09/780,553, filed February 9, 2001, now U.S. Patent No. 6,575,310. The '165 application has now been allowed and the issue fee has been paid.

By this PRELIMINARY AMENDMENT, applicant has cancelled claims 1-26 in the parent application and has added new claims 27-36.

Applicant submits that the claims pending in the present application are allowable over the art of record and respectfully and earnestly solicits early indication of same.

Submitted concurrently herewith is an Information Disclosure Statement for entry in the present continuation application file.

Should the Examiner believe that any issues remain that could be addressed in a telephone interview, it is respectfully requested that the undersigned be contacted.

Respectfully submitted,

By: _____
